The Dermatologikum Hamburg is a specialized outpatient clinic for dermatology. A team of more than 30 doctors and 75 employees ensures a comprehensive and personalized diagnosis and therapy of more than 300 skin patients per day with all aspects of dermatological diseases.

The International Academy Dermatologikum (IADH) Hamburg offers doctors from around the world the opportunity to participate in the daily work of leading experts in the field and to achieve a deep insight into the specialized diagnosis and therapy of patients with all skin diseases. In addition, all modules include lectures and theoretical programs on background information with the latest trends in the topics discussed.
